Note there are bonus lessons in the workbook that do not have an accompanying video lesson.

The importance of being able to read for meaning should never be underestimated. The ability to decode text is not enough; it is vital that children understand what they are reading. More importantly, it is fundamental that they enjoy what they are reading so that they grow up to become lifelong readers. The passages in the brilliant activities for reading comprehension series are designed to do just that; they provide children with a variety of engaging, enjoyable texts that will grab their attention and indeed their teacher's attention as well. The types of comprehension passages range from newspaper articles and dialogues to plays, stories, and poems. They gradually increase in difficulty as you progress through the book and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text. Tasks range from simple factual recall and vocabulary work to more open-ended questions, enabling the reader to provide a more personal response. The cross-curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast finishers.

The importance of being able to read for meaning should never be underestimated. The ability to decode text is not enough; it is vital that children understand what they are reading. More importantly, it is fundamental that they enjoy what they are reading so that they grow up to become lifelong readers. The passages in the brilliant activities for reading comprehension series are designed to do just that; they provide children with a variety of engaging, enjoyable texts that will grab their attention and indeed their teacher's attention as well. The passages begin in year 1 with simple picture comprehension and gradually increase in difficulty as you progress through the book and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies for decoding. Tasks range from simple factual recall and vocabulary work to more open-ended questions, enabling the reader to provide a more personal response. The cross-curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast finishers. The brilliant activities for reading comprehension series provides an invaluable resource for assessing pupils' progress in reading while helping them to develop their love of reading at the same time.

reading comprehension comes as a result of learning reading skills and strategies the activities in this series can be used to supplement any core reading program they are flexible enough to provide opportunities for differentiated instruction

Developing reading comprehension in recent years the debate about teaching young children to read has tended to focus upon equipping them with the crucially important knowledge and skills they need to read words accurately in and out of context. That is to say, teaching them how the alphabet works for reading and spelling. While such knowledge and skills are essential, more is required for children to become literate, fluent readers who understand what they read. In short, the goal of reading is comprehension. This book scrupulously examines the obstacles to reading comprehension and exemplifies what can be done to help children overcome them. It is an important and timely contribution to securing high-quality teaching of the range of attributes children
