a veteran journalist discovers an ancient system of speech techniques for overcoming the fear of public speaking and reveals how they can profoundly change our lives in 2010 award winning journalist john bowe learned that his cousin bill a longtime extreme recluse living in his parents basement had at the age of fifty nine overcome a lifetime of shyness and isolation and gotten happily married bill credited his turnaround to toastmasters the world s largest organization devoted to teaching the art of public speaking fascinated by the possibility that speech training could foster the kind of psychological well being more commonly sought through psychiatric treatment and intrigued by the notion that words can serve as medicine bowe set out to discover the origins of speech training and to learn for himself how to speak better in public from the birth of democracy in ancient greece until two centuries ago education meant in addition to reading and writing years of learning specific easily taught language techniques for interacting with others nowadays absent such education the average american speaks 16 000 to 20 000 words every day but 74 percent of us suffer from speech anxiety as he joins toastmasters and learns step by step to successfully overcome his own speech anxiety bowe muses upon our record levels of loneliness social isolation and political divisiveness what would it mean for americans to learn once again the simple art of talking to one another bowe shows that learning to speak in public means more than giving a decent speech without nervousness or a total meltdown learning to connect with others bestows upon us an enhanced sense of freedom power and belonging

for ten years regan hofmann lived a double life to the world she was a woman from princeton who went to prep school summered in the hamptons and rode thoroughbred horses she had a great job a loving family and friends and looks that made men turn their heads from the outside she seemed to have it all on the inside though coursing through her veins and weighing heavily on her mind

was the truth that she was hiv positive at first hofmann faced her mortality alone shamed by a disease society considered the exclusive property of gay men injection drug users and sex workers burdened by her secret she withdrew from the world she once knew over time though hofmann began to accept her mortality and hiv and reconsidered the way she wanted to live her life after nearly a decade of silence hofmann did what she never imagined having the courage to do she came out to the world about what she was going through regan hofmann not only has the courage to fight hiv and the debilitating stigma that surrounds it but she writes about her experience with unflinching honesty and a deep affection for the family and friends who support her i have something to tell you is a memoir of disease and survival and an inspiring account of a life driven by a sense of purpose and a search for love in the face of the unthinkable more than anything it is a story that reminds us that while life can change in an instant we each hold the power to decide how we use the time we have with humor vitality and an unquenchable passion regan shows us a life fully lived

an instant new york times bestseller a perfect juxtaposition of ordinary and extraordinary told with humor compassion and unshakeable hope becky albertalli new york times bestselling author of *simon vs the homo sapiens agenda* the young adult adaptation of the hopeful kirkus reviews and refreshingly candid bestselling memoir by the husband of a former democratic presidential candidate about growing up gay in his small midwestern town completely rewritten with new stories including resources for readers parents and teachers growing up chasten glezman buttigieg didn't always fit in he felt different from his father and brothers who loved to hunt and go camping and out of place in the rural conservative small town where he lived back then blending in was more important than feeling seen so when chasten realized he was gay he kept that part of himself hidden away for a long painful time with incredible bravery and the support of his loved ones chasten eventually came out and when he did he learned that being true to himself was the most rewarding journey of all finding acceptance and self love can seem like a tremendous

challenge but it's never impossible with honesty, courage, and warmth. Chasten relays his experience of growing up in America and embracing his identity while inspiring young people across the country to do the same.

It seemed like a good idea at the time. The lament of many a morning after rum, beer, scotch, wine, beer, and more beer for nearly 250 years. Australian history has been punctuated with stories of booze and boozing from Cook's voyages and the first fleet to the rum rebellion, the mutiny of the 99th Regiment, the soldiers' riot of 1916, six o'clock closing, and beyond. We've been a nation that likes a drink. With the eye of the master storyteller, that he is, Jim Haynes has collected the best yarns, verses, stories, and anecdotes of our boozy history. He uncovers the good and the bad of our national character and its relationship with grog. He celebrates the social gift of alcohol and riotous moments of mateship and camaraderie, but he also offers salutary tales of its consequences: the hangovers, the suffering, the recriminations, and the grave occasions subverted by drink. Amusing, wry, tragic, and surprising, *Best Australian Drinking Stories* asks you to grab a glass of your favourite beverage, get comfy, and enjoy this fascinating collection of stories about Australia's love affair with booze.
